DEBTOR'S RESPONSE TO MOTION TO DISMISS

COMES NOW the debtor and responds to the motion to stop a discharge, filed by Sandra Beard (Docket Item No. 156), as follows:

The debtor's counsel has been unable to reach the debtor by telephone. Of the two numbers on file, one has a voice mailbox not set up and the other always returns a busy signal, and while counsel has written to the debtor, he has not yet responded.

WHEREFORE the debtor prays that this matter be continued for a reasonable time in order to allow him to discuss the motion with his counsel, and for such other relief as may be needed.
